Visual Frontier Announces New Contract to Supply HDD Storage Products to MRT
Communication

TAIPEI, Taiwan - Dec. 29, 2004 /Send2Press Newswire/ -- Visual Frontier Inc. (OTCBB: VFTR) announced that it has signed a contract with Taiwanese electronics dealer MRT Communication Ltd. (www.mrt-communication.com) to supply various hard disk enclosure products to be distributed to customers in Taiwan, the United States and Germany. Under the agreement Visual Frontier will provide 3.5" and 2.5" HDD (USB 2.0 and 1394 interfaces) to be sold under various brand names through MRT Communication and its customers worldwide.

Founded in Taiwan with customers in the United States and Germany, MRT Communication's major businesses include a comprehensive line of personal storage computer products for home and office use. MRT Communication focuses on data communication product lines with USB, IEEE1394, IDE, and Serial ATA interface converter products.

Visual Frontier believes this recent contract is an affirmation of the company's design and production capability and demonstrates the competitiveness and overall market appeal of the company's wide array of design efforts. Visual Frontier is proud that its products are to be marketed by MRT Communication. With the help of companies like MRT, Visual Frontier plans to continue to supply its customers with both well designed and technologically advanced products at a reasonable price.

About Visual Frontier Inc.

Visual Frontier is a service provider in the design and manufacture of portable electronic products/components. We provide our customers with cutting-edge designs/service/products which combine outstanding performance, sleek styling, and impeccable reliability.
