International Women of Advertising Revealed -
StoryboardsOnline.com Announces 2004 Calendar

LOS ANGELES, Calif. - Nov. 14, 2003 /Send2Press Newswire/ --
StoryboardsOnline, the leading online provider of storyboards, comps and illustrations for the advertising and entertainment industry, today announced a 2004 Wall Calendar celebrating the achievements of women in advertising. Available today through their website (www.storyboardsonline.com), the International Women of Advertising, Awards Calendar 2004, features twelve prominent women from the U.S. and U.K. who exemplify creativity and professionalism in the advertising industry.

"The calendar depicts an extraordinary group of women whose spectacular ideas and achievements don't always bring them the recognition they deserve," said Scott Ownbey, founder of Interactive Arts Services, Inc. "It's a celebration of what these women have accomplished in the eyes of their peers." Ownbey's firm surveyed 125 art directors, seeking the names of women who stood out as talented, dedicated, and professional.
