Author Sydney Newman Dotson Will Expose a George Bush, JFK, LBJ, and Joe Bonanno Mafia Connection in New Book NO GREATER DECEPTION A True Texas Story

DALLAS, TX - Nov. 18, 2003 /Send2Press Newswire/ -- Sydney Newman Dotson Inc. (www.nogreaterdeception.com) announced today that on November 22 author Sydney Newman Dotson will expose a George Bush, JFK, LBJ, and Joe Bonanno Mafia Connection in new book, NO GREATER DECEPTION A True Texas Story. "A real life Texas Soap Opera of Love, Death, Betrayal and Justice. Move over Dallas, here comes Houston!" says Liz Carpenter, Distinguished Author and Lady Bird Johnson White House Press Secretary.

"Hold onto your bootstraps folks," says the author. "If you liked Erin Brockovich, you'll be thoroughly intrigued with the adventures of these two sisters, their knack for investigative work, and their family in Texas. This is a stirring, humorous and unconventional true story about their epics and the Texas Justice System."

Sydney and her sister Heather will take you on a gut-wrenching roller coaster ride that occurs after their father dies and their stepmother produces a Last Will and Testament that leaves the stepmother everything. What they discover makes them question everything they once thought was real.

Was it normal for Joe Bonanno to show up at their home? Just how involved was their father in the gambling and prostitution rings along the Galveston Bay? Were his connections to George Bush, Lyndon Johnson, Lady Bird and Joe Bonanno much deeper than they seemed? Was he truly involved in the JFK assassination?

What they learn about their stepmother Betty is even more devastating. How did the town whore come to marry their father the Police Chief? Did she kill her only brother and forge her own father's Will too? Just how many accomplices does she have? Are some of them their own brothers and sisters? What the two sisters' forensic document expert, Mrs. Higgins, discovers will send chills up and down your spine.

This "soon to be Bestseller" will be available on www.NoGreaterDeception.com and eBAY this month in time for Christmas, and in December on Amazon.com and in Barnes & Noble and Borders Bookstores.
