Bob Miller Writes Announces the Launch of a Free Stock System for  
Independent Investors

FT. LAUDERDALE, FL - Dec. 17, 2003 /Send2Press Newswire/ -- Author and decorated Vietnam War pilot Bob Miller ([www.bobmillerwrites.com](http://www.bobmillerwrites.com)) today announced the launch of his FreeStockSystem helping independent investors to earn 100 shares of stock for "free" and even show a cash profit with every purchase, and all within just a few days.

Neither a stockbroker nor a financial guru, Bob Miller relies on his personal experience in the stock market, which began with a dare on the golf course. "A broker bet me that I couldn't make \$500.00 in six months in the market without his help," Bob Miller explains. "While waiting on the 10 tee I wrote out my FreeStockSystem and opened an account in the amount of \$28,000 the next day. In less than 5 months I had doubled that amount."

Bob Miller explains how his FreeStockSystem works: "Stock ABC is selling for \$1.00 a share. For this example, let's buy 1,000 shares, which costs approximately \$1,007 with commission. I then immediately place a limit (all or none) sell order to sell 900 shares of ABC automatically when at \$1,037.00 or \$1.16 a share. So the moment our ABC stock sells, we have recovered our entire investment, plus a few extra dollars of cash profit and we have 100 shares of ABC 'free.'"

The FreeStockSystem has several advantages. It allows investors to keep a small amount of capital working perpetually in a variety of stocks and sectors. In addition, maintaining a presence in the stock market develops an in-depth knowledge of the daily movements of acquired stocks, which can be used to buy and sell them again and again with confidence.

Best of all, Bob Miller's FreeStockSystem, which is explained in detail on his website, is completely free for anyone who wishes to use it. "Why did I decide to give my system away for free? Simple," explains Miller, "people who sell moneymaking systems are hoping to make money selling their system, not using it."

Bob Miller served as a pilot in Vietnam and was awarded the Distinguished Flying Cross and the Air Medal. Books that Miller has authored include "Conversations with God" (Vanquish Publications, 1992), and "You Have My Word on It" (Vanquish Publications, 1994).
