Major Travel Company Makes Changes In Locations To Better Assist Customers

DALLAS, TX - April 26, 2004 /Send2Press Newswire/ -- Coastal Vacations today announced the expansion of their offices in North Carolina, Michigan, and Hawaii with others soon to open. This is being done to better serve customers on a one-to-one basis. A campaign is now underway to celebrate the opening of these new offices.

Coastal Vacations is an association of entrepreneurs, professionals and business owners committed to providing the highest quality vacation and travel benefits in the industry. Working with thousands of resorts and leaders in the travel and leisure industries, Coastal carries out this commitment by creating unparalleled membership benefits and services -- seeking out the best available vacation and travel packages and offering them to clients at full value for affordable prices.

The company was established 10 years ago by a board of directors committed to researching and building relationships with travel companies that possess a proven track record of customer satisfaction and industry credibility.

As a result, Coastal Vacations continues to offer membership benefits and services that are unparalleled in the industry today. The result is the incredible, comprehensive Vacation Package that gives unmatched value to the consumer.

The Coastal Vacation Package consists of the finest international vacation values available, combined into one superior membership package:

- * Huge discounts at thousands of exclusive condominium properties
- * Up to 50% off at 8,400 hotels
- * Up to 50% off 1,000 golf courses
- * Over 100 free lift tickets at 260 ski resorts
- * 20-50% off at over 7,000 restaurants, theme parks, camp sites and RV/car rentals
- * Free Carnival Cruise for 2 people, plus 4 other Cruises
- * 25 assorted Bonus Vacations

The value of this package is over \$15,000, available exclusively from Coastal Vacations for \$1,295.

Carroll Payne, a Director with Coastal Vacations says, "The Travel Industry is now at an all time high of 4.4 Trillion Dollars a year. More cruise ships are being built, travel and vacations are becoming more expensive, making it more difficult for the average family to vacation the way they would like to. With our continued growth we have made it possible for everyone to take as many vacations as they want, at a price they can afford."
