RV Rental Firm Offers Gas Rebate Promo

MotorHome, May 27, 2008

With all eyes on rising fuel prices, Allstar Luxury Coaches has introduced its new Gas Pass promotion. The price of gas is breaking records and is expected to keep rising, which can make for some pain at the pumps on a summer road trip. In an effort to ease some of that pain, Allstar is rolling out this special offer: The new Gas Pass promotion gives RV renters a \$300-\$500 fuel rebate credit for new summer rentals booked now through June 15, 2008.

With locations in California, Florida, New York, New Jersey, Pennsylvania, Ohio and opening soon in Las Vegas and Phoenix, Allstar Coaches services the entire United States and has the ability to deliver a luxury motorhome to virtually any doorstep in America.

The Allstar fleet consists of late-model Class A motorhomes ranging from 35-45 feet, fully equipped with the latest options. The promo code for a fuel rebate credit is Gas Pass.
