

Send2Press[®] Newswire - 2010 Media Lists - Example Websites

Important note: to reach online news portals related to specific trade/consumer industries, you must use our "Industry Focus" plan or higher. Our "Online Only" plans only post online, and are NOT sent to media.

This list shows only examples of online syndication, aggregators, social networks, and related entities. With the "EXTENDED" level plans, there are many more points online which grab our news content via PRN.

Neotrope News Network Sites	Social Media Sites	Aggregators
