

## National U.S. Daily Media ‘AP NEWSROOMS’

Send2Press® is a service of Neotrope®

EXPLORE WHAT WE DO HERE: <https://www.send2press.com/>

This list comprises U.S. Subscriber Newsrooms reached at daily & weekly newspapers, TV, and radio stations via AP when using Send2Press Press Release Distribution for 2023.

### Important Notes:

- Media outlets subject to change at any time.
- Subscriber AP Newsroom reach in this list document has no direct relationship to media reached by email or online syndication (see separate document for email reach).
- See separate Direct-to-Editors™ media list document for media targeting via email with our “PRO” distribution plans.
- For 2023 we reach approximately 3,500 newsrooms at major media outlets in the U.S. Individual media folk at each outlet may choose to receive, subscribe, or search for news based on industry topic (e.g., food, tech, nonprofit) based on their particular job focus or interest. The number of specific editors or staff covering any single topic, such as finance, is not known and may vary over time.
- A “media outlet” refers to a print or broadcast news organization that publishes news.
- Newsrooms reached may vary based on local/state, regional or national distribution service package ordered from Send2Press Newswire.

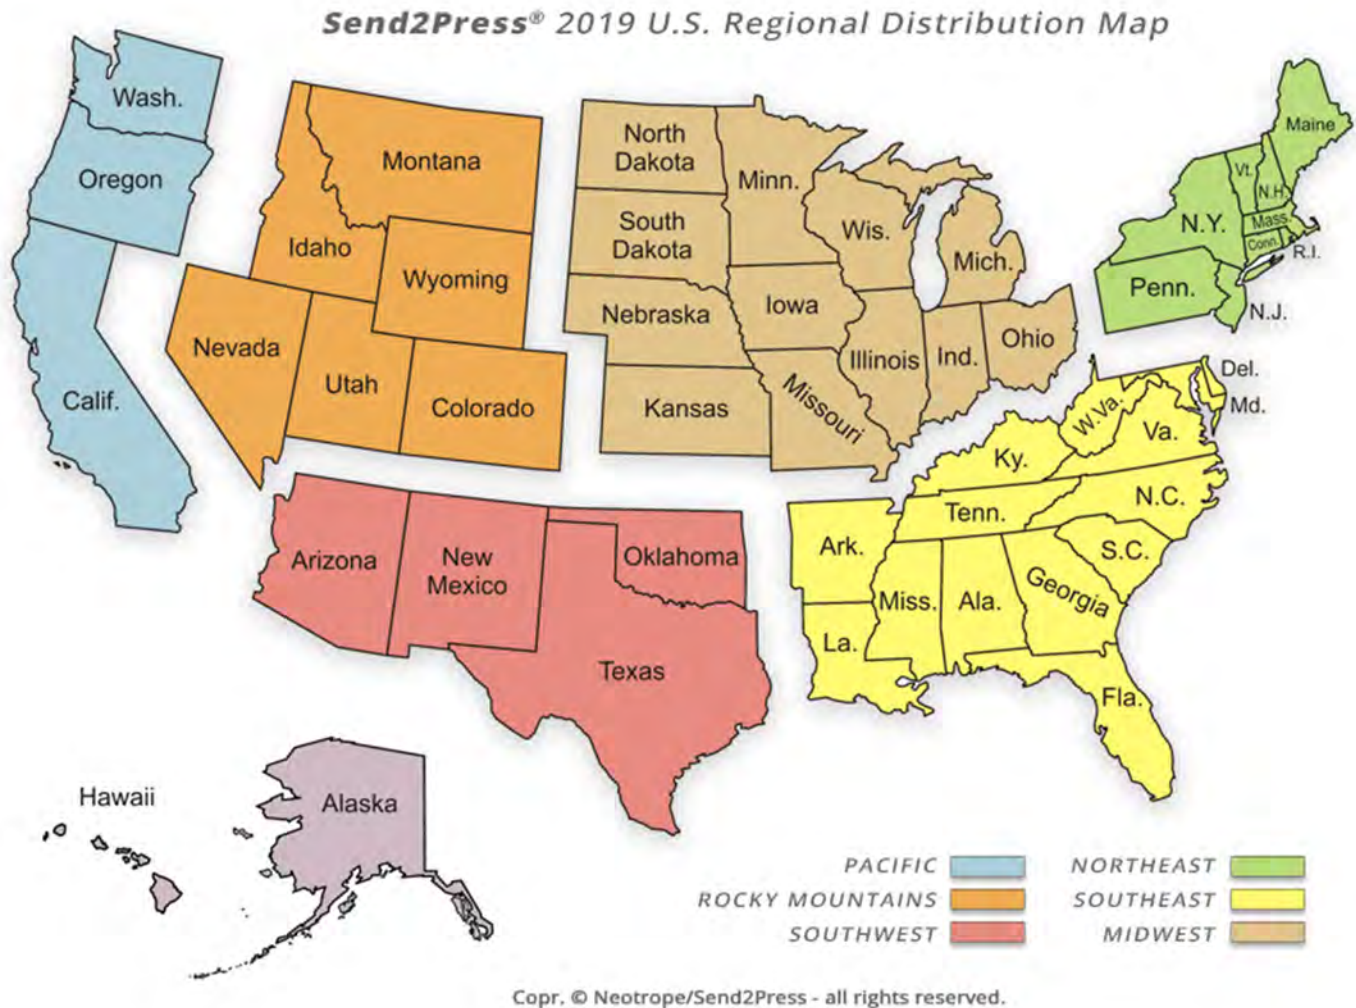

THIS VERSION DOES NOT HAVE PAGE NUMBERS OR PASSWORD PROTECTION AND IS OPTIMIZED SO OUR CLIENTS CAN MORE EASILY COPY/PASTE INFO FROM THE DOC. THE VERSION ON PUBLIC SITE HAS PAGE NUMBERS AND PASSWORD.
