## Trade Media Publications: *Sort by Industry* Distribution List 2014

This list comprises the targeted trade and consumer magazines your news is sent to – as applicable to actual news item -- when choosing any of our “Industry Focus,” “4-States,” or “National” Distribution plans (see: [Send2Press.com](http://Send2Press.com)).

---

**NOTE:** some publications fall into multiple categories (e.g., *Esquire* would fit into fashion, men’s interest, travel, lifestyle, etc.), however in this list – to minimize bloat – pubs will generally be shown in their single “primary” industry category. Some industry pubs or websites we cannot send news to either by an indicated preference, or requirement to only submit news through an online form; such publications will not be found on this list.
