Taking place on Armed Forces Day, hundreds of veterans and their families will participate in the event to connect with one another, promote Impact a Hero and its mission, as well as experience their much-deserved support from those they serve – our community. The funds raised during this event will be used for the services and programs Impact a Hero provides to our heroes.

“As we are celebrating the 15th Anniversary of Impact A Hero, we wanted to do something special this year for our race. Adding a 10k to the event was the perfect way to do that,” said Laurel Goodroe, Director of Marketing and Communications for Impact A Hero. “We are also excited to welcome back KBR as our Title Sponsor for our event. Their participation and support of the race and our organization over the years is invaluable.”

The community is encouraged to sign up for this great event to show their appreciation and support for our veterans and their families. Food, bounce houses, face painters and more will be on site for this family friendly event.

A \$5 discount is given to those who sign up and register as part of a team!
