After much deliberation about what to do with the frame, it was decided to post it on eBay (the popular online auction site), following in the footsteps of auctioning off strange and unique items online.

The seller states that, "They would of preferred the image of the Virgin Mary to appear, but Hitler's face appearing is unique in itself."

The amazing frame can be viewed on the eBay auction site by searching for auction item #5567772189.
