

The Question ‘Where Has Susan Powter Been’ is About to be Answered – Susan Powter is Stopping the Insanity Better Than Ever!

NEW YORK CITY, NY – (SEND2PRESS NEWSWIRE) – Animal’s Farm LLC announces that with her seventh book, “The Politics of Stupid,” and the introduction of her new website (www.susanpowteronline.com) launching its first phase today, Susan Powter is back! She’s just been dubbed: “the Lenny Bruce of Wellness” by Shape Magazine for good reason.

Caption: Susan Powter is stopping the insanity better than ever!

Susan Powter’s internationally known brand, her prolific production – books, audios, exercise videos, etcetera – as well as the creation of her state of the art, interactive website, is the only thing that can make “Stop the Insanity look like dress rehearsal!”

Susan Powter is about to connect “direct from me to you” with hundreds of thousands of Women all over the world, via her new live radio show, cooking show, live chat lines and much, much more.

It’s Susan Powter, with her common sense, brilliantly, internationally known

program of eat, breathe, move and think that can activate the most power-filled consumer market in this country today and the fastest growing consumer on the internet – Women! Susan Powter’s real life, common sense approach to weight loss, is only one of the things that millions of Women can get directly with Susan Powter, “from now on, forever” at www.susanpowteronline.com.

“This is exactly what I’ve worked 12 years to be able to do” – no more middlemen in the middle of Susan Powter and millions of Women all over the world. Susan’s new website is rolling out, month to month, with audio, video, live with the information, inspiration and motivation hundreds of thousands of Women have been waiting to hear. Just when America needs her the most.

Susan Powter online is here. Stage One: complete. Stage Two: Immediate. Stage three: right after that and from there? The Moon Alice, The Moon. Don’t spend any amount of time away from what is about to be the most interactive wellness, life changing site on the web.
