

Time In, Morris County's #1 Children's Play and Party Center, Sees Franchising as Best Plan for Growth

RANDOLPH, NJ – April 20 (SEND2PRESS NEWSWIRE) – Karl Lens, President and Operator of Morris County's most talked about children's play center, has expanded to form Time In Franchises, LLC (www.Timeinfun.com). Time In is now interviewing interested parties and plans to award 4 to 5 locations in New Jersey, Pennsylvania and Connecticut this year. In addition, filings for New York State will soon be completed allowing for opportunities there as well.

"Customers kept telling me what a great concept we had. They wanted to know when we were opening one near them; they wanted to know how they could own a Time In," says Karl Lens, president of Time In Franchises.

Time In believes the best way to maintain its reputation as the cleanest, best run, private party facility in the area is to include owner operators in its growth plans. "To own a Time In facility, you really have to love children and have a very good sense of customer service. The rest we can teach you." Time In's franchise philosophy demonstrates its commitment to its owners. The business model is very customer-friendly and offers a great deal of assistance to new franchisees. The business is perfect for people who want to spend time with their children as they grow. It offers a reasonable work schedule with the rewards of owning your own business. This model is perfect for business professionals who are looking to make a change in their lifestyle or for stay-at-home parents who want to turn their interest for good family fun into a business.

Time In's franchise fee is \$25,000 with an estimated initial investment range of \$230,000 to \$290,000 (including franchise fee).

About Time In, LLC:

Karl Lens opened Time In in November of 2002. After disappointing visits to child entertainment centers with his own three children, he set out to design a play center that catered both to the children and their parents. A one-stop party place where children could play freely without being distracted by video games and inappropriate toys.

Four months after opening the doors, Time In had exceeded all of Karl's initial expectations; it was a hit! Time In quickly became synonymous in the Morris County NJ area with safe, clean fun. Visitors to the facility continually expressed interest in Time In and its expansion and in 2004, Time In Franchises, LLC was born.

Time In Franchises, LLC, 4 Middlebury Blvd., Suite 11, Randolph, NJ 07869.
