

Greater Northwest Medical Group Grows and Changes to Meet Patient Needs

BUFFALO GROVE, IL – June 1 (SEND2PRESS NEWSWIRE) – Greater Northwest Medical Group, including 12 Internal Medicine and Family Practice physicians, 2 physician assistants, 3 physical therapists, and 2 registered dietitians, announces the addition of Dr. Christian Daniels, a Family Practice physician, who will be treating pediatric through adult aged patients at the practice's new Glenview, IL office. The Glenview office is located at 1247 Milwaukee Avenue, Glenview, IL 60025. The phone number is: 847-803-8613.

Office Hours are:

Monday and Thursday: 8:00 a.m. – 8:00 p.m.

Tues., Weds., and Friday: 8:00 a.m. – 5:00 p.m.

Saturday: 8:00 a.m. – 2:00 p.m.

Sundays and Holidays: Urgent walk-in care offered from 9:00 a.m. – 11:00 a.m. at Greater Northwest Medical Group's Buffalo Grove office, 1300 Busch Parkway, Buffalo Grove, IL

Neal Gold M.D., an Internal Medicine physician, who joined Greater Northwest Medical Group in 2004, will relocate his Park Ridge office, and begin seeing patients at the Glenview office on July 5, 2005. Dr. Scott Meyers, a family practice physician, who also joined the practice last year, will move from the Arlington Heights office to join Drs. Gold and Daniels.

Dr. Daniels earned his pre-med undergraduate degree from Knox College in Galesburg, IL in 1981, his medical degree from Rush Medical College in 1984, and his residency training in 1987 at Lutheran General Hospital, Park Ridge, IL. In private practice since July, 1987, Dr. Daniels comes to Greater Northwest Medical Group from Fahey Medical Center, S.C., Des Plaines, IL, where he treated patients since 1991.

Dr. Daniels explains, "I am excited about joining the outstanding staff of Greater Northwest Medical Group in this innovative practice that demonstrates its commitment to meeting patient needs. I wholeheartedly agree with the practice philosophy and look forward to being a member of the team."

Expanding upon the practice philosophy, Practice Administrator, Michael Hartke, adds, "Greater Northwest Medical Group was founded in 1984 on the philosophy of providing high quality, comprehensive and convenient healthcare, as reflected by our unique blend of extended office hours, the

diverse composition of our physicians, and variety of ancillary healthcare services. Patients have responded favorably to this practice philosophy, which has been a strong foundation upon which our steady growth has been built.”

“The addition of Dr. Daniels this month, Drs. Gold and Meyer last year, and the opening of the new Glenview office,” continued Hartke, “directly respond to the need of our growing patient population for greater access to physicians in conveniently located, comfortable office space, with convenient hours for office visits. Our investment over the last year in Electronic Medical Records further supports our philosophy by ensuring that all our physicians, regardless of their physical location, the day, or time, can gain immediate access to important patient records, whenever needed.”

About Greater Northwest Medical Group

Greater Northwest Medical Group is an Internal Medical and Family Practice medical practice established in 1984, currently serving patients at three Northwest Suburban office locations. Greater Northwest Medical Group is founded on the principle of working as healthcare partners with our patients. The Practice is dedicated to providing high quality, comprehensive and convenient healthcare. Our goal is to serve all our patients – from pediatric to geriatric – with effective preventative care, rapid diagnosis and treatment of acute illness, and successful management of chronic medical conditions.

The Greater Northwest Medical Group’s dedication to high quality patient care at the patients’ convenience is reflected by the unique extended office hours – including urgent care on Sundays and holidays – and ancillary services, such as in-house laboratory, physical therapy, and nutritional counseling services.
