His legendary last-second heroics, NBA-leading 3-point shots, and his leadership on and off the court have made Reggie Miller one of the most popular players in NBA history. Miller cemented himself in the sports history books as the ultimate "clutch player." His game ending heroics, 3-point shooting, free-throw shooting and animated play brought him to the forefront of the NBA. Miller wasn't the popular choice when the Pacers drafted him in 1987, but the tribute to him after his final regular season game with the Pacers in 2005 showed that he loves Indiana and Indiana loves Reggie Miller!
