

Jamaica Cottage Shop Inc. Launches New Garbage Shed

BURLINGTON, Vt. (SEND2PRESS NEWSWIRE) – Jamaica Cottage Shop, Inc. (www.JamaicaCottageShop.com), a premier builder of fine garden buildings based in Jamaica, Vermont, today announced the launch of the 2x4 Garbage Shed, an attractive and versatile cottage that is the perfect size for two fatty garbage cans.

“The structure of our Garbage Shed is of the same caliber as the larger buildings we offer,” said Domenic Mangano, Founder and President of Jamaica Cottage Shop. “Our shed has solid doors with full door stops and heavy duty hardware to make sure that garbage is critter-proof. The shed can also be set up for one can and an organizing space for recyclables.” **(Photo Caption: The Jamaica Cottage Shop’s 2x4 Garbage Shed.)*

The Shed features 3-6 JCS built double doors, and a tongue and groove Pine flip top lid. The entire structure is Eastern White Pine. The Shed weighs 120 pounds. The 2x4 Garbage Shed can be ordered fully assembled, or ready to assemble. The Garbage Shed Kit is easily assembled by anyone in about 30 minutes using only a screw driver. The 2x4 Garbage Shed retails for \$329.00.

Jamaica Cottage Shop, Inc. is a privately held company founded in 1995 by Domenic Mangano. Located in Jamaica, Vermont, every Jamaica Cottage Shop building is crafted by Vermont tradesmen who create distinctive and aesthetically pleasing structures that will enhance any landscape. Other Jamaica Cottage Shop garden buildings include:

* Living Models, such as the 16x20 Vermont Cottage, perfect for storage, a kid’s playhouse, pool house, guesthouse, cabana or artist studio retreat.

* Utility Models, such as the 8x10 Vermonter, large enough for livestock, potting, general storage needs, ATVs, or motorcycles.

* Specialty Cottages, such as the 10x14 Run in Shed, sturdy enough for every livestock need, and easily transportable during harvest.

In addition to the Garbage Shed; designer models, special needs sanctuaries and landscape accessories are also available on the Jamaica Cottage Shop site. “These buildings will give you many years of maintenance-free service,” said Mangano. “Not to mention, our buildings add an aesthetic touch to any property.”

Free sample Garbage Bin Kits are available to catalog editors and new product managers interested in retailing this product.
