

Dialpad Receives INTERNET TELEPHONY Magazine's 'Product of the Year' Award for 2004

DialpadUSA Honored for Outstanding Innovation

MILPITAS, CA /Send2Press Newswire/ – Dialpad Communications Inc. announced today that Technology Marketing Corporation (TMC(R))'s INTERNET TELEPHONY(R) magazine (www.itmag.com) has named DialpadUSA as a recipient of a 2004 Product of the Year Award. INTERNET TELEPHONY has been the VoIP Authority Since 1998(tm).

"We're very proud of this award," said Craig Walker, Dialpad's President & CEO. "Since our inception in 1999, Dialpad has always strived to bring high-quality, affordable communications to all users through Internet Telephony. DialpadUSA is our latest effort in this respect and we are very excited by the enthusiasm it has generated so far.

By giving users unlimited calling to the USA and Canada for just \$11.99 per month, we have raised the bar for offering the best combination of prices and flexibility and believe it will make a huge impact on bringing the benefits of Internet Telephony to the mainstream."

"Each year INTERNET TELEPHONY magazine bestows its Product of the Year awards on companies that have demonstrated excellence in technological advancement and application refinements. Dialpad has demonstrated to the editors of INTERNET TELEPHONY that its products or services are committed to quality and innovation while addressing the real needs in the marketplace," said Rich Tehrani, Group Publisher and Editor-in-Chief of INTERNET TELEPHONY.

The Product of the Year Award winners for 2004 is published in the January 2005 issue of INTERNET TELEPHONY magazine.
