

Leading Corporate & Leisure Air Consolidator Celebrates Record Year

FareBuzz.com announces record growth in 2005 and expanding roster of Corporate & Leisure Agencies

NEW YORK, NY (SEND2PRESS NEWSWIRE) – New York based FareBuzz.com, the industry leader in Air Consolidator fares, celebrated another record year as its client roster and revenue base grew significantly in 2005. “Our expansion and growth into the Corporate Travel Agency sector was a primary reason we enjoyed another record year,” said FareBuzz.com CEO Arnold Walter. A contributing driver for this tremendous growth was the introduction of an upgraded Online Booking Tool to enhance their current Best Fare/Real Time booking engine for Business & First Class fares.

Send2Press® Newswire “Travel

Agents will like this new enhancement as it will save valuable time and increase their ability for additional profit,” said FareBuzz.com CEO Arnold Walter. Since 1993, FareBuzz has set the standard in offering Premium Class tickets and in providing the most competitive published Consolidator and Commissionable fares.

Recently, FareBuzz.com introduced their Web-based Booking Engine to complement their highly regarded customer service & reservations call center. Fare Buzz was one of the first consolidators to offer courtesy On-hold reservations and 24/7 customer service support, and recently introduced Online Reporting for its Travel Agent partners. FareBuzz features experienced

and highly qualified Travel Consultants, which provide the Travel Agent community with exceptional International and Domestic fare assistance.

This new technology will allow Fare Buzz to elevate their product line and services, and offer the Corporate Travel Agent the easiest and most convenient way to book a Business & First Class ticket anywhere in the world. Agents will find this new booking tool to be very agent friendly and offer the ability to make reservations and receive confirmations online.

According to FareBuzz CEO, Arnold Walter, "We've created a distinct advantage over other Consolidators by simply fusing our low fares with our State-Of-the-Art Technology and making this available to the Agent community."

For over 12 years, FareBuzz has provided Travel Agents the best in consolidator fares and customer service to destinations around the world. Fare Buzz pays the industry's highest commissions and works with all sectors of the Travel Agent community including Corporate, Home-based, Independent Contractors and Leisure agents.
