

# Cervalis and eXpertivity Mortgage Solutions Corp. Sign Partnership Agreement

STAMFORD, CT (SEND2PRESS NEWSWIRE) – Cervalis, a leading provider of premier IT infrastructure solutions, today announced that it has entered into a partnership agreement with eXpertivity Mortgage Solutions Corp. Under the agreement, eXpertivity will incorporate Cervalis' IT Infrastructure Services, Data Security and Protection, Business Continuity and Rapid Recovery solutions to provide its customers with Cervalis' high standards of business resilience and to help accelerate eXpertivity's rapid gain in the \$5 billion mortgage processing market.

Send2Press® Newswire “We

analyzed carefully the unique requirements of eXpertivity – multiple locations performing multiple elements of mortgage processing onshore and offshore execution, data security – and we are confident that our solutions can deliver against them,” said Mike Boccardi, President and CEO of Cervalis. “We worked closely with the eXpertivity team in order to develop a comprehensive program which addresses these issues,” added Mr. Boccardi.

“We are extremely impressed with the methodology Cervalis adapted as their standard for data security, disaster recovery and systems redundancy” said Ilan Nachmany, President and CEO of eXpertivity Mortgage Solutions Corp. “Using Cervalis’ state of the art services will allow us to continue in our

desire to provide the mortgage community with the highest quality and reliability level of processing services using the latest, most efficient technology.”

“By choosing Cervalis, the market leader in data security, eXpertivity can assure its clients of their ongoing data protection,” said Mike Boccardi, Cervalis President and CEO. “We are pleased to add eXpertivity to our list of customers and partners and are looking forward to a long term, mutually beneficial relationship.”

Cervalis’ state-of-the-art operations centers total more than 80,000 square feet of space. The company has achieved TruSecure Service Provider Certification and SAS 70 Type II Certification. Its operational processes and controls meet superior standards of security, reliability and availability. Cervalis is also a member of the Cisco Powered Network Program.

eXpertivity began operations earlier last year and has established itself as a leader and expert in the field of mortgage processing. The combination of eXpertivity’s processing and technology offering, using the reliability of secured services offered by Cervalis, promises a high satisfaction experience for eXpertivity’s customers.
