

# New Workshop Teaches Business Owners, Entrepreneurs and Business Professionals to Dramatically Increase Profits and Personal Revenue While Laughing All the Way to the Bank

LAGUNA HILLS, CA – April 3 (SEND2PRESS NEWSWIRE) – Internationally acclaimed speaker, author and prosperity coach, Karen Curry ([www.joyfulmission.com](http://www.joyfulmission.com)) will be presenting her innovative two-day intensive training, Prosperity Boot Camp at Awakenings Metaphysical Bookstore, May 6-7. This unique workshop combines cutting-edge energy psychology techniques with innovative goal-setting and wealth-building strategies. Participants will learn how to radically increase their income potential as well as improve personal satisfaction and balance in their lives.

Prosperity Boot Camp trains participants to use a radical 3-step process to clearly identify personal and professional goals, remove any behavioral blocks to implementing the goals and empowers participants to adopt new wealth generating habits immediately. Upon completion of the training, participants will know exactly how to use this process to not only create more money, but also how to work less and earn more.

This workshop offers a 150% money-back guarantee. If participants do not see a radical improvement in their financial status in the year following the training, their full tuition and more will be refunded. In over two years since it's creation, no one has asked for a refund after attending Prosperity Boot Camp.

Curry, the creator of Prosperity Boot Camp and the author of the free wealth-training manual, *The Prosperity Revolution*, says, "I have been a student of wealth creation for over 10 years. I realized in my learning process that there are three vital steps to creating wealth. This is the only program that puts these three key steps together."

"This is also a fabulously fun training," reports Curry. "Research shows that people are more open to learning and integrating information when they are having fun! We joke a lot, we sing, we dance. If you're not laughing all the way to the bank, what's the point?"

Using the principles taught in Prosperity Boot Camp, Curry went from being over \$80,000.00 in debt and bankrupt to owning her own life coaching school and publishing company. Inspired by her personal success she created Prosperity Boot Camp, determined to help others create true wealth in their lives.

In addition to offering this workshop, Curry gives away her free training

manual, The Prosperity Revolution, on her Website, [www.joyfulmission.com](http://www.joyfulmission.com). "I know that when you're broke, you don't always have access to the resources to facilitate change in your life. I give this book away with the intent to give others the opportunity to learn how to transform their situation. Being broke hurts. And I don't want anyone to suffer through what I went through," says Curry.
