

Boating Industry Magazine Announces 2006 Top 100 and Leadership Alliance

MINNEAPOLIS, MN – April 30 (SEND2PRESS NEWSWIRE) – Buying and servicing a boat is about to become a much easier task for consumers around the country when Boating Industry magazine announces its 2006 Top 100 Dealers, a ranking of those marine dealers that are unsurpassed in overall business operations, customer service, marketing and professionalism, later this fall.

To help bring the Boating Industry Top 100 to life, Ehlert Publishing Group, the magazine's parent company, created the Leadership Alliance-an elite group of the marine industry's leading suppliers. These companies were invited to participate because they possess as one of their corporate values a true belief in, and commitment to, raising the bar of professionalism across all marine industry sectors, particularly for dealers.

"The Boating Industry Top 100 has, in short order, become the most coveted award in the marine market," explained Tammy Galvin, Group Publisher for Ehlert's trade magazines. "Marine dealers are on the front line with consumers every day, and this is one way we can help provide much needed benchmarking information for all other dealers to measure themselves against."

"While most industry awards are given to those dealers that sell the most boats, our Top 100 program is much more qualitatively focused," said Matt Gruhn, Editor-in-Chief of Boating Industry, "thereby leveling the playing field for all dealers and directing consumers to those dealers that can best deliver on the dream that boat ownership promises."

The 2006 Leadership Alliance members include: BRP US Inc., GE Commercial Finance, Yamaha, BoatTrader.com, Watch Captain, SHURflo, Stemnock & Associates and the Marine Retailers Association of America.

Boating Industry magazine, along with the Leadership Alliance, will announce the 2006 Top 100 at an invitation-only gala awards ceremony in Las Vegas on Nov. 15, 2006. Meet the 2006 Leadership Alliance:
