

Adrienne Curry and Christopher Knight Exchange Vows

JOLIET, IL – May 31 (SEND2PRESS NEWSWIRE) – Reality stars Adrienne Curry and Christopher Knight have officially tied the knot Monday evening in Curry's hometown of Joliet, Illinois with a little help from online diamond and jewelry boutique Whiteflash.com.

Send2Press® Newswire

From reality-TV to real-life wedding, the two began their relationship after meeting on the fourth season of VH1's *The Surreal Life* in 2004. Curry, 23, was the season one winner of *America's Next Top Model*; while Knight, 48, played well-known Peter Brady on the '70s sitcom hit *The Brady Bunch*.

According to sources close to the couple, over 250 friends and family were on-hand to witness the event; including former *Brady Bunch* stars Susan Olsen (Cindy Brady), Mike Lookinland (Bobby Brady), Barry Williams (Greg Brady) and former *Surreal Life* co-star Joannie "Chyna" Laurer.

While the bride carried a bouquet of black roses, she opted for a more traditional gown—a custom-made cream-colored dress from Alvina Valenta. The two completed their "I Do's" by exchanging custom-made wedding rings from online diamond and jewelry boutique Whiteflash.com (*Kiplinger's Magazine* "Lord of the Online Rings").

For those wanting to follow the couple's magical journey, VH1's *My Fair Brady Wedding Special* will chronicle their every move Sunday evenings (9 p.m.).

ET/PT) starting May 28.
