Indigo IT Earns Certified Partner Status in Microsoft Partner Program

RESTON, Va. – Sept. 14 (SEND2PRESS NEWSWIRE) – Indigo IT, LLC, today announced it has earned certified status in Microsoft(R) Corp.'s Partner Program recognizing Indigo IT's expertise and total impact in the technology marketplace. As a Certified Partner, Indigo IT has demonstrated expertise with Microsoft technologies and proven ability to meet customer needs. Microsoft Certified Partners receive a rich set of benefits, including access, training and support, that give them a competitive advantage in the marketplace.

Indigo IT has provided enterprise IT solutions to a variety of private-sector, not-for-profit, and Federal Government clients since its founding in 2001. Much of this work has focused on enterprise systems engineering, enterprise integration and operations, business continuity planning and disaster recovery, project management consulting, and infrastructure analysis and planning.

"Only companies that have demonstrated high levels of customer service, proved their experience and attained advanced certification receive the designation of Microsoft Certified Partner," said Allison Watson, vice president of the Worldwide Partner Sales and Marketing Group at Microsoft. "Today, Microsoft recognizes Indigo IT for its skills and expertise in providing customer satisfaction with Microsoft products and technology."

"We are extremely pleased to have earned certified status in the Microsoft Partner Program. The certified status allows us to clearly promote our expertise and relationship with Microsoft to our customers," said Shane Van Wyngaardt, Director of Solutions Delivery at Indigo IT. "The benefits provided through our certified membership will allow us to continue to enhance the offerings that we provide for customers."

The Microsoft(R) Partner Program was launched in December 2003 and represents Microsoft's ongoing commitment to the success of partners worldwide. The Microsoft Partner Program offers a single, integrated partnering framework that recognizes partner expertise, rewards the total impact that partners have in the technology marketplace, and delivers more value to help partners' businesses be successful.
