The Bentley South Beach is a boutique hotel located in the heart of South Beach, south of Fifth on Ocean Drive, just 15 minutes from Miami International Airport, 7 minutes from Downtown Miami and 3 minutes from the Miami Convention Center. Beautifully restored, The Bentley is an Art Deco landmark, just a few blocks from the Versace Mansion, Casa Casuarina ([www.casacasuarina.com](http://www.casacasuarina.com)) and the new and exciting NICKY 0, flagship condo hotel of Hilton heiress, Nicky Hilton.

The ocean front, one bedroom condo suite in The Bentley South Beach provides another Miami option to Peralynna's loyal guests. Having recently purchased suites in the NICKY 0 South Beach, the Lynns expect the new suites to become popular honeymoon choices in combination with Wedding Packages at The Inn at Peralynna Manor in Maryland, which start around \$10,000.

"We are taking reservations for The Bentley now for October 1 forward," said Ms. Lynn, "and we're offering a special rate to our loyal customers and new clients booking their accommodation with us during the month of September."

Since they first opened their doors as an Inn, Peralynna Properties have discovered what it takes to successfully meet the needs of both the leisure and corporate travel markets in Maryland. With a 60% return rate and the designation of Best Inn in North America for 2005 and 2006 (Arrington's Inn Traveler), it's clear that Peralynna Properties have the formula for success.
