

Boating Industry Magazine Updates 2006 Top 100 and Leadership Alliance

MINNEAPOLIS, Minn. – Nov. 28 (SEND2PRESS NEWSWIRE) – Buying and servicing a boat has become a much easier task for consumers around the country, thanks to Boating Industry magazine's second annual Top 100 Dealers, a ranking of an incredibly powerful group of marine dealers that generated more than \$2.88 billion in retail sales, or nearly 8 percent of the entire \$37 billion marine market.

The ranking recognizes those marine dealers that are unsurpassed in overall business operations, customer service, marketing and professionalism. Collectively, the 2006 Boating Industry Top 100 employ more than 6,500 people and operate 357 retail locations across North America.

"While most industry awards are given to those dealers that sell the most boats, our Top 100 program is much more qualitatively focused," said Matt Gruhn, Editor-in-Chief of Boating Industry, "thereby leveling the playing field for all dealers and directing consumers to those dealers that can best deliver on the dream that boat ownership promises."

Topping the list at No. 1 for the second-consecutive year is Clearwater, Fla.-based MarineMax, followed by: Galati Yacht Sales, based in Anna Maria, Fla.; Singleton Marine Group based in Dadeville, Ala.; Hall Marine Group, based in Lake Wylie, S.C.; and Crystal-Pierz Marine, based in Crystal, Minn. Nearly 400 people joined Boating Industry to honor the Top 100 Dealers at a black-tie celebration Wednesday, Nov. 15, at the Rio All-Suite Hotel & Casino in Las Vegas.

Boating Industry's editorial staff reviewed more than 400 applications, culled from more than 3,000 nominations. The applications asked both quantitative and qualitative questions regarding all aspects of marine dealer operations.

"The Boating Industry Top 100 has, in short order, become the most coveted award in the marine market," explained Tammy Galvin, Group Publisher for Ehlert Publishing Group's trade magazines. "Marine dealers are on the front line with consumers every day, and this is one way we can help provide much needed benchmarking information for all other dealers to measure themselves against."

Having passed the billion-dollar mark for total revenue in the last year, MarineMax is now six-times larger than any other dealer in this year's ranking and has the revenue to fuel countless business initiatives not otherwise an option for smaller dealerships. Perhaps on a store-by-store basis, dealers could compete with a single MarineMax location, but as a corporation, its inclusion in the Top 100 creates a contest that would most likely find MarineMax atop the list every year. In that light, Boating Industry retired the company from the list of Top 100 Dealers and has honored

it with an ongoing "Best In Class" designation, which MarineMax must continue to apply for.

Boating Industry also bestowed five additional Best In Class awards to dealers ranked at the top of their categories. Gordy's Lakefront Marine (ranked 15), based in Lake Geneva, Wis., is the highest-ranking dealer with only one boat brand. Russell Marine (ranked 10), based in Alexander City, Ala., is the highest-ranking dealer with five or six stores. Parks Marina (ranked 9), based in Okoboji, Iowa, is the highest-ranking dealer with three or four stores. Slalom Shop Boats & Yachts (ranked 6), based in Lewisville, Texas, is the highest-ranking dealer with one or two stores. Clark Marine (ranked 31), based in Manchester, Maine, is the highest-ranking dealer with revenue under \$3 million.
