

Quorum Productions' Hit TV Show Designing Spaces 'Special Holiday Edition' Features Chase Bank USA on Protecting Identity Theft and Credit Fraud When Making Holiday Purchases

FT. LAUDERDALE, Fla. – Nov. 30 (SEND2PRESS NEWSWIRE) – Will you be using your credit card this holiday season? Then you shouldn't miss the special episode of "Designing Spaces for the Holidays." The hit Quorum Productions television program will feature an expert from Chase Bank USA who will make viewers aware of what they can do to protect themselves from fraud and identity theft.

Chase Bank's professionals can answer the questions you need to know such as what is the difference between fraud and identity theft, what is phishing, and what can people do to protect themselves from these things.

"As the holiday seasons approach and people are using their credit cards more and more, it is imperative that consumers know what measures they can take to protect themselves from common fraud and scams," says Michael Cunningham, Senior VP, Fraud Operations, Chase Card Services.

About Designing Spaces:

Created by Quorum Productions, this half hour informative series inspires and instructs viewers on the smartest ways to make their homes more beautiful and functional. Designing Spaces interviews leading experts in design, hardware, architecture, house wares and real estate and offers something of interest for every viewer. From advice on large scale renovations to simple tips on making everyday tasks easier to decorating on a budget, this is the one show that provides you with all the comprehensive information you'll need. Designing Spaces is seen Saturday and Sunday mornings on TLC and on the Women's Entertainment Network between 7:00 & 10:00 am.

About Quorum Productions:

This Florida-based production company is nationally renowned for creating excellent quality programming that educates and informs in an entertaining and compelling manner. Their shows are geared towards disseminating vital solutions to life's problems. These programs not only touch the hearts of their viewers but help them make important decisions which impact their lives. Guests on Designing Spaces have included representatives from companies such as Intel, AT&T, HP, Martha Stewart, Chase Bank, Sara Lee, Prudential Real Estate, Celebrity Cruise Lines and many others.
