**Book Review by Don Bacue International Features Syndicate, AmSAW Book Reviews:**

"This fast-paced story built around a heroic plot is filled with memorable characters. The story climaxes with an epic battle in which the future of humanity hangs in the balance and eventually resolves into a very believable, feel-good ending. The author has done a commendable job of recreating the often-told story line of good vs. evil while giving it a new twist. The result is a book that moves along quickly and readers who find it difficult to put down. In short, this is a solid four-out-of-five-star rating, one of the most creative and enjoyable books of its genre."

**Review by Teresa Fallen Angel Reviews:**

"The End of Time is a fascinating mixture of science fiction and scriptures. The unique way Mr. Towe wove them together portrayed a realistic and scary way of looking at the book of Revelations. I loved how even in the worst of times, a mother's love for her child overcomes all obstacles. The family that took Catherine set in motion the only chance that Catherine had to have a normal and loving family. Catherine and Darien loved one another and even when Catherine was under Satan's control, you could still see that somewhere inside her, she had very strong feelings for Darien. Darien would go to hell and back to save her. In the end, Catherine proved that she was a worthy mate for Darien when she potentially sacrificed herself to save another. This book hooks the reader from the very beginning and keeps the reader in suspense until the very end. I hope to read more books by Mr. Towe."
