

# Liberty Alliance, Inc. Nationally Certified as Safe Harbor Compliant

YORBA LINDA, Calif. – May 18 (SEND2PRESS NEWSWIRE) – Liberty Alliance, Inc., a leading provider of pre employment and background screening services announced today it is among a select group of organizations who have achieved the U.S. Department of Commerce Safe Harbor Certification.

**Send2Press® Newswire**

The Safe Harbor Certification recognizes U.S. Companies, such as Liberty Alliance, who have more than adequately satisfied the rigorous personal data and privacy protection standards and policies of the European Union.

Liberty Alliance has gone the extra mile to respect individual privacy. We value the confidence of clients, consumers, their business partners and employees. Our entire organization has committed to following the Safe Harbor Policy and principles in transferring personal data from the European Union to the United States.

President Chris Dyer said: "Liberty Alliance has always maintained our goal of complete security with confidential information obtained from our customers and their applicants. The recognition gained in the Safe Harbor certification strengthens this commitment to our U.S. Background screening and the international screening initiatives. We are pleased and honored to

have received this certification.”

**About Liberty Alliance, Inc.**

Liberty Alliance sells employment background screening solutions that help large and small organizations manage and control multifaceted screening programs. Many successful companies utilize Liberty Alliance because the Company delivers effective, customer-focused solutions. Liberty Alliance is known for its efficiency and quick results. The Company’s success has been brought about by its development of customizable pre-integrated employment screening services through HR-XML interfaces.

The Company is driven by its daily goals of achieving the highest level of customer service, client satisfaction, personal phone interaction, and of accomplishing the fastest turnaround time available with accuracy and clarity for each client.
