

Lawyer Support Services of America, LLC Fills Necessary Niche in Nevada Market

LAS VEGAS, Nev. – Aug. 21 (SEND2PRESS NEWSWIRE) – Lawyer Support Services of America, LLC announces the launch of a new web site that connects consumers with experienced lawyers licensed to practice in Nevada.

While Nevada is new to the network, the network is not new. Lawyer Support Services of America, LLC has been helping consumers to find lawyers in all 50 states.

“The Nevada-specific site was founded out of necessity,” Heather McPherson, Vice President and General Counsel for Lawyer Support Services of America, LLC, said. “Whenever we sought to refer a case to a Nevada lawyer, the process was difficult and it took time to locate an experienced Nevada lawyer and to discover their practice area.”

The lawyer search engine on FindNevadaLawyers.com can be navigated by anyone. Consumers can search by the lawyer’s name, city, county, practice area, area code, or any combination thereof.

All listed lawyers have certified that they meet several requirements that include: practiced at least five years; a substantial amount of time is devoted to listed practice areas; new clients are accepted; and they are licensed to practice law in Nevada.

The state-by-state Lawyer Search Network(TM) brings together clients and lawyers to help them resolve legal issues in a timely and efficient manner.

To introduce the Nevada site, for a limited time, lawyers may visit: www.LawyerSupportServices.com to sign up for a free standard listing that will be posted within the Lawyer Search Network(TM). Each Nevada lawyer who signs up will be listed on FindNevadaLawyers.com and FindLawyersInMyState.com.

Lawyer Support Services of America, LLC recognizes the importance of lawyers in American society. They believe that the public is best served by being able to find experienced lawyers, quickly and easily.

The company was founded by lawyers, and is run by practicing lawyers. One of the founders has practiced successfully for over 30 years.

“He knows what it takes to run a profitable practice and understands the changing nature of the profession as well as the needs of the consumers,” McPherson explained.

Lawyer Support Services of America, LLC also provides affordable web sites for lawyers. They are simple to create and can be edited at any time with the

click of a mouse.
