"The Creative Pack 1 upgrade was invented to give clothing and shoe designers a host of new resources to develop their designs with," said Michael Harper, co-developer of Digital Fashion Pro and The Creative Pack 1, and co-founder of Harper-Arrington Publishing LLC. "The Creative Pack 1 features The Shoe Factory, Designer Series Templates Trend 1 Library, Digital Fabric Pack 2 and The Vector Art Gallery. We are really proud of this new product. We set out to make Digital Fashion Pro the best fashion design system in the world, and we strongly believe the Creative Pack 1 has brought us closer to that goal."

The Creative Pack 1 is available at www.startingaclothingline.com or www.DigitalFashionPro.com. Digital Fashion Pro gives users the ability to create realistic looking clothing right on their computer screen. Jay Arrington, co-creator of the Creative Pack 1 and Digital Fashion Pro stated, "It is the use of real Digital Fabrics inside our system that gives designs a superior look. We wanted to change the way fashion illustration is done and using our trademarked digital fabrics takes fashion design to the next level." Boasting an ever-growing client list of some of today's hottest fashion houses, designers and schools from all over the world truly attest to the success and capabilities of the Digital Fashion Pro Fashion Design System.

Michigan-based Harper Arrington Publishing LLC was founded in 2004, and is dedicated to educating children and adults on how to realize their dreams. Their software and books, including "The Little Entrepreneur Series," and "The Official Step by Step Guide to Starting Your Own Clothing Line," sell all around the world.
