

Van Millwork Announces New Employees

NEEDHAM, Mass., May 7 (SEND2PRESS NEWSWIRE) – Van Millwork, New England’s leading millwork supplier and interior specialist, located in Needham, Massachusetts, announced the addition of six professionals to their team: Jennifer Driscoll, Marketing Director, John Coulombe, Territory Manager for Essex County, Southern NH and Southern ME, William McIntosh, Territory Manager for CT, Debra Skelley, Business Development Manager, Judy Walzer, Showroom Manager, and Karen McDonald, Executive Assistant.

Send2Press® Newswire

Jennifer Driscoll comes to Van Millwork with an extensive background in marketing, having most recently served as president and senior consultant of the Bright Idea Group based in Rhode Island. Additional experience includes marketing coordinator for Steffian Bradley, and marketing specialist for CB Richard Ellis. She holds a Bachelors degree from the University of North Carolina at Greensboro and is the Sales and Marketing Council Chair for the Builders Association of Greater Boston, and a member of the National Association of the Remodeling Industry, and the International Furnishings and Design Association.

John “Jack” Coulombe comes to Van Millwork after previous experience in outside and inside sales with Rivco, Alcoa, and Harvey Industries.

William “Bill” McIntosh joins Van Millwork with seven years experience in

construction and real estate development. He was most recently a construction supervisor for a new library in Putnam, Connecticut. William holds a Bachelors degree from Norwich University.

Debra Skelley joins Van Millwork with over 20 years of sales and marketing experience ranging from territory sales manager at ABC Supply Company to E-Solutions sales executive with Sprint. She holds a Bachelors degree from the University of Maryland and MBA from the Western New England College.

Judy Walzer worked previously as project manager for Corporate Interiors and project manager for Aesthetics, Inc. She studied liberal arts at Northeastern University and Interior Design at Chamberlayne Junior College.

Karen McDonald formerly worked at Gatehouse Media and Tufts University.

About Van Millwork

Founded in 1967 as a full service lumber company, Van Millwork, headquartered in Bellingham, has grown into the largest interior millwork supplier in New England. The Van Millwork Design Center located in Needham features nine architecturally themed rooms that reflect the architectural period represented by the trim work in each space. In addition to Bellingham and Needham, the company also offers a showroom in Mashpee, MA, and a full-service custom woodworking shop in Fitchburg, MA.
