

This Year's Better Business Bureau Education Foundation Awards Welcomes a Newcomer into its Elite Ranks

HOUSTON, Texas, May 13 (SEND2PRESS NEWSWIRE) – Momentum Transport – the nation's premier auto and freight transport provider – walked away from this year's event with the 2008 Winner of Distinction, the award presented in recognition of Momentum Transport's superior commitment to ethics, overall excellence, and quality in the workplace.

Send2Press® Newswire

The BBB Awards for Excellence was created to recognize businesses and non-profits that excel in quality achievement, management and customer service while exhibiting integrity in the marketplace and exemplary dedication to fostering trust between businesses and consumers.

About Momentum Transport

Since 1996, Momentum Transport has been the nation's premier provider of auto and freight shipping services. Momentum's goal to provide value-priced, hassle-free transport services has helped to vault the company to one of the largest and most well respected transport providers in the country.

From multi-national corporations and dealerships to the everyday consumer,

Momentum Transport assists in the movement of thousands of vehicles on a yearly basis – while never comprising its commitment to unmatched quality and seamless customer service.
