

# Zip-Ez(TM) HVAC Fasteners are GreenSpec Listed

WARWICK, N.Y., June 24 (SEND2PRESS NEWSWIRE) – J.T. Products' Zip-Ez(TM) the revolutionary fastener for H.V.A.C. insulation has been GreenSpec Listed and will be featured in BuildingGreen Inc.'s GreenSpec Directory(R). The GreenSpec Directory lists environmentally preferable products with an objective to list only the top 5-10% environmentally preferable products.

Send2Press® Newswire

"We're proud to announce that BuildingGreen found Zip-Ez fasteners to be an energy-saving system of attaching insulation to ducts and that using Zip-Ez fasteners may add LEED points towards 'green' building certification," said John Tomaini, president, J.T. Products, Inc.

UL Classified and now GreenSpec Listed Zip-Ez fasteners are the preferred, patented insulation fastening system that saves time and also helps save energy.

They are manufactured in the U.S. can be found in all of the top wholesale locations across the country. For a complete listing, check the website location listing at [www.jtproducts.com/purch.html](http://www.jtproducts.com/purch.html).
