

CheapOair and Hotels.com Sign Preferred Partnership

NEW YORK, N.Y., July 14 (SEND2PRESS NEWSWIRE) – CheapOair is proud to announce a partnership with Hotels.com, a trusted name in travel for more than 15 years. Beginning today, travelers can book Hotels.com inventory directly through CheapOair.com and benefit from Hotels.com’s in-depth and current information about each property.

“Our alliance with Hotels.com reinforces CheapOair’s commitment to delivering the most comprehensive and competitively priced products to our customers,” said Leanne Ballard, Vice President of Hotels and Cars for CheapOair.com. “Hotels.com’s strong brand recognition and value-added benefits appeals to the CheapOair customer.”

CheapOair.com provides a wide array of cheap flights and worldwide travel offerings that include over 18 million negotiated low-priced airfares, over 84,000 negotiated hotel rates, car rentals, vacation packages, local events tickets and more.

CheapOair.com leverages the latest state-of-the-art technologies using scalable travel solutions for today’s savvy customer online and provides customers with 24/7 call center support.

To find out more about CheapOair’s hotel offerings, visit www.CheapOair.com or call toll-free (866) 636-9088.
