The captivating feature story redefines the meaning of the phrase "inherently sexy" by transforming four everyday working women's looks and uncovering their hidden inner bombshell.

Known for featuring wearable and transitional stylish accessories and fashions, Oprah's O Magazine hit the mark by selecting the show-stopping cuff for Judson to wear in her final "reveal" when she transformed from everyday mousey into seductive red carpet diva.

Featuring 10 carats of stunning bezel set "A Cut Above" diamonds in a slinky fabric-like 18K gold cuff, the bracelet typified her new found fearlessly bold inner self. 162 Whiteflash ACA diamonds adorn this bold bracelet.

No stranger to helping to create red carpet looks for Hollywood's trendsetting divas, WhiteFlash.com has dressed many notable celebrities such as Jessica Alba, Jessica Simpson, Elizabeth Banks, Lindsay Lohan, Gina Davis and Adrienne Curry.
