

EMRG Media, LLC Launches Hotel Division to Meet Growing Event Planning Demand

NEW YORK, N.Y., July 29 (SEND2PRESS NEWSWIRE) – EMRG Media, LLC, New York's leading event planning and marketing company, announced today the launch of its hotel division in New York City. This new division is in response to a growing hotel-industry clientele. Over the last eight years, EMRG Media has conducted event planning and marketing for New York's premier restaurants, event spaces, nightclubs and lounges. Now, they will be adding hotels to their exclusive client roster.

EMRG Media, LLC will provide event planning services for high-end and boutique hotels including: The Ritz Carlton, Flatotel and The Bryant Park Hotel.

"Corporate event planners and other decision makers who spend millions, annually, on corporate events, meetings and business luncheons in the New York Metro area have increasingly requested hotels for their events and meetings," Mario Stewart, founder and co-owner of EMRG Media, LLC, says. "It made perfect sense for us to expand our business to focus on the area of our industry where so many of our clients hold their functions."

With this new addition comes expansion of the type of events offered and catered to. EMRG Media, LLC has always been on the cutting-edge of industry trends. In 2006, the company channeled their niche expertise into the publication of the NYC Venue Guide which is now available for 2008.
