Goals as Mayor of Los Angeles:

1. Get the feds out of our local business by ending the Consent Decree over our LAPD and protecting the will of California State voters by defending medical marijuana clubs from federal interference.
2. Bring high paying jobs back to Los Angeles by working with car manufacturing and aerospace companies to bring back their factories.
3. Build a water desalinization plant, so the growth of our city will not be limited by amount of rainfall we receive or the water deals we negotiate with other states.

Craig X Rubin has chosen the last hour of the Jewish year, Monday September 29th, 2008 at 5 p.m., to announce his candidacy for Mayor. "This is the Day of Judgment in my culture and at this time in the history of the City of Los Angeles," Pastor Rubin says. "Working together we can make the City of Angels a heavenly place to live."

The announcement at the Los Angeles Press Club will officially begin the campaign for the office of Mayor of the City of Los Angeles. The press club is located at 4773 Hollywood Blvd. in Hollywood, California 90027. Seating and parking is available for all members of the press. Please call ahead of time for reserved seating.

Governor Schwarzenegger recently admitted to TMZ.com that he had smoked marijuana with comedian Tommy Chong. Future Mayor Rubin says, "That puts me in good company.
