

401k Advisors Launches Retirement Plan Hotline for Virginia Employers

WILLIAMSBURG, Va., Dec. 11 (SEND2PRESS NEWSWIRE) – 401k Advisors, one of the Mid Atlantic’s leading experts in the design, implementation and management of Retirement Plans, today launched a retirement plan hotline for employers and retirement plan fiduciaries.

The retirement plan hotline, 757-645-3975, ext 204, provides advice and guidance on plan design, implementation and management as well as assistance with any and all other questions. The hotline is available Monday through Friday from 8:30 a.m. to 4:30 p.m.

From the market and economic downturn to new regulations regarding fee disclosures, an increasing number of employers are finding that independent, unbiased reviews are required. The 401k Advisors Retirement Plan Hotline can help avoid conflicts of interest while gaining quality guidance.

“Recent events have dramatized the importance of professional services to Retirement Plan Sponsors and any person who has responsibility for decision making or operation of a qualified retirement plan. The uninformed, or unwary, are at real risk if they are not carefully managing fiduciary risk,” said Craig Dewey, Managing Director of 401k Advisors. “Navigating the maze of rules and responsibilities for retirement plans demands unbiased, experienced answers. The 401k Advisors Retirement Plan Hotline can help answer detailed questions,” Dewey elaborated.

In addition to the wide spectrum of the finest investment, savings, and executive compensation solutions available, 401k Advisors provides a broad range of innovative programs and services, tailored to protect employees and employers. Their expert advisors work to determine where risk, opportunity and security interconnect.
