

# Verdessence Online Eco Store Provides One-Stop-Shop for Everything Sustainable

CHICAGO, Ill., Jan. 9 (SEND2PRESS NEWSWIRE) – Sustainable, green, and eco-friendly have become part of everyday vocabulary. That's why Verdessence.com, a new e-commerce site has assembled a web site that offers everything from the latest eco fashions to biodegradable plates; it's sustainable and stylish shopping.

Verdessence makes buying green easy. The company is eco friendly and budget friendly and they offer a wide array of stylish, yet environmentally and socially-responsible products for just about anyone. Whether shoppers are seeking the ideal gift for a newborn niece, boyfriend, or their golden retriever, they are likely to find it on Verdessence.com.

Merchandise ranges from stylish eco apparel and accessories for men, women, and children to sustainable home decor and bath and body products. And, if that's not enough, shoppers will also find a broad spectrum of toys, cards, wrapping paper, and pet accessories.

"More and more shoppers understand the importance of buying green, and it is our goal to provide these conscious consumers with many interesting, high-quality products in one convenient place," Michael McCarthy, co-founder Verdessence.com, says.

The web site's expansive product lineup is logically organized and easy to navigate. And, the visual appeal of the site provides an exciting and incredibly pleasant shopping experience.

Shoppers can quickly browse between different categories to find attractive and innovative products. How about a solar-powered bag? These stylish handbags are stunning and highly sustainable. They have their own built-in solar panel so the wearer will never have to plug in their cell phone or iPod again; no electricity is needed. Recycled jewelry and luxurious organic cotton bedding are also popular categories.

In addition to offering quality sustainable and eco-friendly products, the team at Verdessence.com also understands the importance of high-quality customer service. The company has customer service representatives available

via a toll free number and e-mail.
