

Large Enterprise Server Partition Manager Solution: EASEUS Partition Manager 3.0 Unlimited Edition

NEW YORK, N.Y., Jan. 20 (SEND2PRESS NEWSWIRE) – EASEUS Software's PartitionMagic alternative, the leading hard disk management solution, today announces its release of an upgraded version of EASEUS Partition Manager 3.0 Unlimited Edition-Unlimited License, which is especially designed to fulfill the needs of large enterprises in hard disk management for both server and non-server systems. Unlike PartitionMagic(TM) that fails to support Windows server, EASEUS Partition Manager 3.0 Unlimited Edition helps corporate IT administrators to resize or move server partitions without data loss.

Send2Press® Newswire

EASEUS Partition Manager 3.0 Unlimited Edition provides a one-stop partition management solution for the whole company with more flexibility and security for enterprise users. Allowing unlimited usage to manage both server and non-server partition within the enterprise is a big savings for IT departments.

Compatible with Windows Server 2000/2003/2008 and non-server 2000/XP/Vista 32 and 64 bit systems, EASEUS Partition Manager 3.0 Unlimited Edition allows you to perform basic and advanced partition operations without destroying any data, including: Resize and Move partitions, Create and Delete partitions,

Copy Partition, Copy Disk, Format partitions, Hide and Unhide partitions, set active partition, etc. Changes to server partitions can be previewed before applying to hard disk, and all data is completely untouched during all operations. Therefore, it is regarded as an excellent alternative to PartitionMagic in the server partition management field.

All in all, EASEUS Partition Manager 3.0 Unlimited Edition is the perfect choice for enterprise users who are looking for the ideal server partition manager, when PartitionMagic cannot help them.

Pricing and Availability

20-percent discount: on sale now for only \$399. To get this perfect PartitionMagic alternative, please go to www.partition-tool.com/landing/pr-unlimited.htm or contact sales@easeus.com.

Additionally, corporate customers can purchase another server partition manager called EASEUS Partition Manager 3.0 Server Edition at www.partition-tool.com/landing/pr-server.htm for \$149, which possesses all the features of EASEUS Partition Manager 3.0 Unlimited Edition. The only difference is its Single License.

System Requirements

Microsoft(R) Windows Server 2000/2003/2008 (32/64 bit); XP/2000/Vista (32/64 bit).
