

Rescue Me: Unformat Hard Drive with Data Recovery Wizard Safely and Easily

NEW YORK, N.Y., Feb. 19 (SEND2PRESS NEWSWIRE) – EASEUS Software, the innovative, dedicated data recovery software provider, offers a one-stop solution to unformat a hard drive or partition safely and easily under Windows OS environment: EASEUS Data Recovery Wizard.

Many computer users format a hard drive and then later want to “unformat” the hard drive to get lost data back. When encountering such a problem, some people may seek assistance from specialized recovery services with high service fees; however, such services cannot always deliver. Others choose reliable data recovery software, with which they will never be troubled with issues of format lost data. With this unformat software, it can unformat a hard drive at any time, for peace of mind.

As one editor from Bluesoft says: EASEUS Data Recovery Wizard is a comprehensive data recovery software for all Windows platforms and supports Undelete, Unformat from various file systems including FAT, FAT16, VFAT, FAT32, NTFS, NTFS5 on various storage media, such as IDE/ATA, SATA, SCSI, USB, FireWire (IEEE1394) hard drive and other media like floppy disk, compact disc, USB flash drive, digital camera, digital audio player and so on. EASEUS Data Recovery Wizard ensures safe and precise file recovery against numerous threats like: drives have been formatted or corrupted, critical file system structures missing, application is crashed, computer is attacked by viruses and worms, partitioning or boot-up problems, damage due to a power failure or surge and so on.

From now on it's unnecessary for computer users to worry about clicking “Format” by accident again, and they can easily unformat a hard drive with EASEUS Data Recovery Wizard at any time.

Pricing and Availability

Data Recovery Wizard runs under Windows 2000, XP, 2003, Vista and starts at \$69.95 (USD) for a single-user license. Discounts for the buyer of two or more licenses are available. Licensed customers get lifetime technical support and free updates. More information on the product, as well as the free demo version is available from www.easeus.com.
