

Vista Partition Recovery Solutions from EASEUS: Help to Recover the Important Files from Lost Partitions

NEW YORK, N.Y., March 12 (SEND2PRESS NEWSWIRE) – EASEUS Software, the innovative, dedicated data recovery software provider offers a one-stop solution to recover data from lost, deleted or damaged Windows Vista partitions. For computer users, the partitions may be lost, missing, damaged due to some common reasons like virus attack, power failure, unexpected shutdown, software crash, wrong operation of partition tools, etc.

If so, for 95/98/ME/NT/2000/XP/2003 users, Partition Table Doctor is a best choice for computer users to recover lost, deleted or damaged partition table; or for Windows Vista users, EASEUS Data Recovery Wizard is strongly recommended to get the important files back from the problem partitions.

EASEUS provides a best solution for Vista partition loss – “Partition Recovery” mode built-in Data Recovery Wizard will enable users to recover their important files from the error partitions easily. The type of the File System doesn't really matter as the program can recover data from all of them: FAT12, FAT16, FAT32, and NTFS/NTFS5! The program supports IDE/ATA, SATA, SCSI, USB, Firewire (IEEE-1394) hard disk and other media, such as memory card, memory stick, SD card, floppy disk, USB drive, or digital camera.

As for the Professional Edition of Data Recovery Wizard, it delivers all the features of Data Recovery Wizard, while adding some advanced data recovery capabilities: recovery from EXT2 and EXT3 (popular file systems of Linux) and basic and dynamic disk.

So, Vista partitions are lost or corrupted? Do not worry about it anymore. Just try this “magic” data recovery software (www.easeus.com) to scan and preview your important files from lost, deleted or damaged Vista partitions for free before purchase.

Pricing and Availability

Data Recovery Wizard runs under Windows 2000, XP, 2003, Vista and starts at \$69.95 (USD) for a single-user license with lifetime technical support and free updates. Discounts for buyers of two or more licenses are available. More information, as well as a free demo, is available from www.easeus.com.
