

Catherine Hinds Institute: Excellence in Esthetics for 30 Years

WOBURN, Mass., March 18 (SEND2PRESS NEWSWIRE) – The Catherine Hinds Institute of Esthetics this week announced 30 years of success in the skin care industry. And, to celebrate their success, many exciting activities and events are planned over the next few months. The anniversary of the Catherine Hinds Institute of Esthetics also coincides with the thirtieth anniversary of the state of Massachusetts licensing for esthetics; this makes the Catherine Hinds Institute of Esthetics a pioneer in the industry.

During the month of March, this skin care institute will be featured on a new television program called, “What’s in Store.” It is scheduled to air on March 25 on TV 38 at 9:30 p.m. and also on March 29 on WBZ at 11:00 a.m.

April brings more events. A thirtieth-anniversary celebration is scheduled for April 5 with guest speakers to include the founder of the skin care institute, the medical director, local spa owners, and skin care professionals. An open house is also on the calendar for prospective students on April 15 from 6:00 to 8:30 p.m.

“I am very excited about our thirtieth anniversary,” An G. Hinds, president and CEO of the Catherine Hinds Institute of Esthetics, says. “Recently, the Boston Globe reported that estheticians are in the top 20, coming in at number 11, for one of the fastest-growing careers between now and 2016. There isn’t a better career for women than esthetics.”

And, in an effort to provide quality skin care to everyone, the Student Clinic offers world-renowned, discounted skin care and spa treatments that utilize the latest technologies available such as: Microdermabrasion, Ultrasonic, HydraFacial and Chemical Peels.

The Student Clinic also offers techniques and products that provide specific treatment strategies for a vast range of skin conditions including: dehydration, hyper-pigmentation, maturing skin and acne. These are perfect cost-saving treatments for people on a budget.

There is no doubt that the Catherine Hinds Institute of Esthetics, after 30 years of excellence in esthetics, has evolved into being a leader in the skin care industry.
