

Announcing the Most Cost-efficient Partition Software for Large Businesses

NEW YORK, N.Y., April 9 (SEND2PRESS NEWSWIRE) – EASEUS, a provider of high quality, affordable, scalable partition management software, today released its latest version of EASEUS Partition Master 3.5 Unlimited Edition, which offers large businesses the most cost-efficient partition management solution. This program can be used on all the server and desktop computers within the whole company with a range of powerful functions to manage server partitions; which makes it the best choice for IT administrators, with a high performance-and-price ratio.

Send2Press® Newswire

Windows Server (Windows Server 2000/2003/2008) is widely used by large businesses to store the most important data and files. To optimize the usage of server computers, IT administrators need to manage their server disks regularly, such as resizing the server partitions. EASEUS Partition Master 3.5 Unlimited Edition perfectly provides large businesses with a one-stop partition management solution with more reliability and effectiveness.

The latest version of EASEUS Partition Master Unlimited Edition is released with two new features: Convert partition and Explore partition. With this

program, IT administrators can easily and safely perform basic and advanced partition operations without destroying any data, including: Resize and Move partition, Copy Partition, Copy Disk, Format partition, etc. A Bootable CD/DVD can also be created to manage Windows Server partitions when there is a boot failure caused by virus or any other unexpected issue.

EASEUS Partition Master 3.5 Unlimited Edition is compatible with Windows Server 2000/2003/2008 and Desktop 2000/XP/Vista 32 and 64 bit systems. It is undoubtedly a big save for large businesses to maximize server and PC performance without any data loss.

Pricing and Availability

There is a 20-percent discount, with the application on sale for only \$399. To get this server partition software especially designed for large businesses, please go to partition-tool.com/epm-unlimited.htm or contact sales@easeus.com.

Additionally, EASEUS Partition Master 3.5 Server Edition is available for small and medium businesses at the price of \$149. The only difference compared to Unlimited Edition is that Server Edition is allowed to be used on only one server computer.
