

Easiest Solution to Unformat Hard Drive

NEW YORK, N.Y., May 15 (SEND2PRESS NEWSWIRE) – EASEUS, the leading data recovery solution provider, announces its latest release – EASEUS Data Recovery Wizard V4.3.6, featuring improved technology to unformat a hard drive and recover files from formatted FAT/NTFS hard drives.

“We understand how you feel when you accidentally or wrongly format your hard drive. You may lose your important data which contains weeks of hard work, cherished photos or favorite movies. At this moment, the solution to unformat a hard drive is in urgent need,” says Mr. Liu, the CEO of EASEUS company. “As a company dedicated to data security solution, we are making ceaseless efforts to help users to unformat a hard drive, to get data back in the easiest way with Data Recovery Wizard.”

EASEUS Data Recovery Wizard is comprehensive data recovery software which allows users to unformat a hard drive and recover deleted files emptied from the Recycle Bin or lost data due to partition loss or damage; software crash, virus infection, unexpected shutdown or any other unknown reasons. It supports hardware RAID and hard drive, USB drive, SD card, memory card, etc.

The traditional way to recover data from a formatted hard drive is to send computer to manual data recovery service center which takes lots of time and money. With EASEUS Data Recovery Wizard, it becomes fairly simple to unformat hard drive to get data back by following the straightforward instructions. The high performance-and-price ratio of this program also saves you money.

“We’re confident that our software can do the trick and we’ve already received thousands of impassioned emails,” added Mr. Liu. “However, we kindly suggest that you backup your data regularly and be careful to operate your computer. If you need to unformat hard drive for some reasons, we’re always there.”

Pricing and Availability

Data Recovery Wizard starts at \$69.95 (USD) for a single-user license. Discounts for the buyers of two or more licenses are available. Licensed customers get lifetime technical support and free updates. More information to unformat hard drive with this software: www.easeus.com.
