

# JCM DBV Series Bill Validators Cleaning Card Now Available from KICTeam

*Designed for the Amusement, Vending and Lottery Industries*

AUBURN, Maine, May 18 (SEND2PRESS NEWSWIRE) – A new Cleaning Card for the JCM Global DBV Series Bill Validators is being launched today through KICTeam, the world leader in the manufacture of cleaning cards. Designed for the DBV 300, 301, 302, 303 Bill Validators, this cleaning card, featuring Waffletechnology™, incorporates a tension release waffle pattern. This pattern allows the cleaning card to maintain maximum cleaning waffle height as it passes through the currency validators.

“This is the fourth JCM Waffletechnology Bill Validator Cleaning Product designed for fast and efficient cleaning maintenance out in the field,” said Mark Henderson, VP Sales, JCM Global. “Our versatile DBV series Bill Validators found primarily in the vending, amusement and lottery industries now have a quick, easy to use and effective cleaning maintenance card. We are thrilled to expand the use of the same technology that has worked so well in the casino gaming industry for the past four years. KICTeam again provided JCM Global with a streamlined solution to meet our needs.”

“Building on the success of the three previous products, our developers were able to identify and design modifications that would create a successful cleaning product to meet the criteria put forth by JCM Global,” said Peter Klein, president and CEO, KICTeam. “The company is happy that it has been able to continue its relationship with JCM Global as well as provide cutting edge technology to make world class cleaning cards.”
