

Taycor Allocates \$45 Million For Unique Medical Equipment Financing Vendor Program

LOS ANGELES, Calif., July 21 (SEND2PRESS NEWSWIRE) – Taycor Financial and its affiliates have allocated \$45 million for vendors of medical equipment and dental equipment. Device manufacturers and distributors can now offer direct financing to their buyers through custom private-label financing programs which are specifically tailored to each vendor's profile.

"We can now set up custom vendor financing programs in literally 48 hours, with your branding and your messaging. This is custom content you can run on your Web site, allowing you to sell more, and sell faster," says Bob Skibinski, CEO.

"With this new program we also partner with our vendors in lead-generation marketing. Vendors who work with us exclusively receive instant email alerts throughout the day as new leads comes in."

"We've ear-marked these dollars and cut the red tape so that medical technology and device manufacturers and dealers can secure reliable funding for their customers as quickly as possible," Skibinski says.

In addition, Taycor provides medical equipment leasing and financing solutions to physician groups, specialists, hospitals, outpatient healthcare providers, veterinary and equine medicine and assisted living facilities.
