

# DAVIDESIGNED Celebrates the 2009 Emmy Awards with 'Gifting'

BEVERLY HILLS, Calif., Sept. 14 (SEND2PRESS NEWSWIRE) – DAVIDESIGNED, Couture Designer, has decided to join in on the Emmy® Awards festivities by offering up some "gifting" himself! In celebration of their talents and the awards in recognition of them, David is offering an outfit to each of the following Emmy category award winners (sorry, ladies only):

Outstanding lead actress in a comedy series.  
Outstanding lead actress in a drama series.  
Outstanding lead actress in a mini-series or a movie.

Outstanding supporting actress in a comedy series.  
Outstanding supporting actress in a drama series.  
Outstanding supporting actress in a mini-series or a movie.

Each recipient of the above awards will be eligible to contact David to make arrangements to be fitted for a design of their choice; selections will be made from his current inventory of "Look Book" fashions and will be custom fitted to their personal dimensions as couture design dictates – the hallmark of DAVIDESIGNED's Exclusive Prive' service.

After all, it is only right that the latest award recipients should celebrate their newest trophy win with a new outfit; and what better way to do it than with couture? Each award winner should call David directly at the phone number listed below, or contact him by sending a message through his Web site, also listed below and highlighted as a hyperlink. This offer is to remain active and available for three (3) months beyond the evening of the 2009 Emmy Awards of September 20, 2009, so qualified awards winners should not delay in claiming their gift!

DAVIDESIGNED is a one man show: as a couture designer, he works almost completely by himself; David hand-selects fabrics, accessories and notions, designs and makes his own patterns, and handcrafts every creation. He excels at one-on-one exclusive designing and fitting, and utilizes ages old, established techniques to assure impeccable quality in construction and design implementation. He has created single fashion designs for clients, as well as wardrobes to accommodate the need to mix-and-match and accessorize appropriately.

"Youth has never looked so sophisticated, age never so young and ebullient," says David Van Akin.

Designs featured herein have been made for purposes of Web site look-books, inventory samples, and runway shows; all designs are custom made to the client's, and of course, David's, specifications. Every effort will be made to accommodate the client, should a suitable design choice not arise from the current inventory with regard to color, size, and design.

DAVIDESIGNED's list of loyal clientele proves the allure and timelessness of his work, which includes celebrities and discerning women of culture. His "one on one" couture approach prevails. He personally selects the fabric and all other materials for the garment, and actually handcrafts the total product. What he envisions is a select clientele who are totally on board with this "exclusivity."
