HOUSTON, Texas, Sept. 29 (SEND2PRESS NEWSWIRE) – G&G Vintage and Classic Cars commissions Momentum Transport to move 239 classic vehicles to the Leake Auto Auction for an unnamed private collector. The auction – presented in joint partnership by Leake Auto Auction of Tulsa and Coys of London – showcased an incredible collection of classic Aston Martins, Bentleys, Ferraris, Rolls Royces, Jaguars, Lamborghinis, and classic street rods. This collection was said to be one of the “most significant” group of European collector cars offered in Texas.

A total of 381 vehicles were auctioned at the Reliant Center; 239 of these belonging to a private collector. Momentum’s ability to coordinate the transport of these timeless vehicles ensured that the auction was a complete success.

“It was an overwhelming honor to have G&G Vintage entrust Momentum with the transport of this rare collection of classic vehicles to the Leake Auction,” said Greg Giles, CEO of Momentum Transport. “We look forward to working with them again in the future.”
