

Vero Florida Company Earns Restoration Certification

VERO BEACH, Fla., Oct. 27 (SEND2PRESS NEWSWIRE) – Global Restoration Group (GRG) in Vero Beach, Florida, is proud to announce it has been qualified by education and examination as Certified Water Restoration Technicians and Applied Structural Drying Technicians, by The Institute of Inspection, Cleaning and Restoration Certification (IICRC).

Tom Hill, IICRC Executive Administrator, states that Global Restoration Group is an example of the type of company that cares about their clients and their belongings, as well as the industry in which they operate.

Don Ricci, CEO of Global Restoration Group states, “We have a company goal and an obligation to provide our clients with thorough, professional service. We see this as another opportunity in striving to be the best at what we do.”

The IICRC is a nonprofit certifying and standard-setting organization dedicated to raising industry standards and technical proficiency. By administering a strict process of certification, the IICRC provides a means by which consumers can receive the highest quality of service from trained, knowledgeable, professional technicians.

Global Restoration Group joins the ranks of true professionals within the cleaning, restoration, and inspection industry. For more information, please call 772-234-9407 or visit them online at www.GlobalRestorationGroup.com.

About Global Restoration Group:

Global Restoration Group provides services to residential, county and city emergency management officials, commercial property and business owners, that aid them through every phase of disaster recovery and property restoration.
